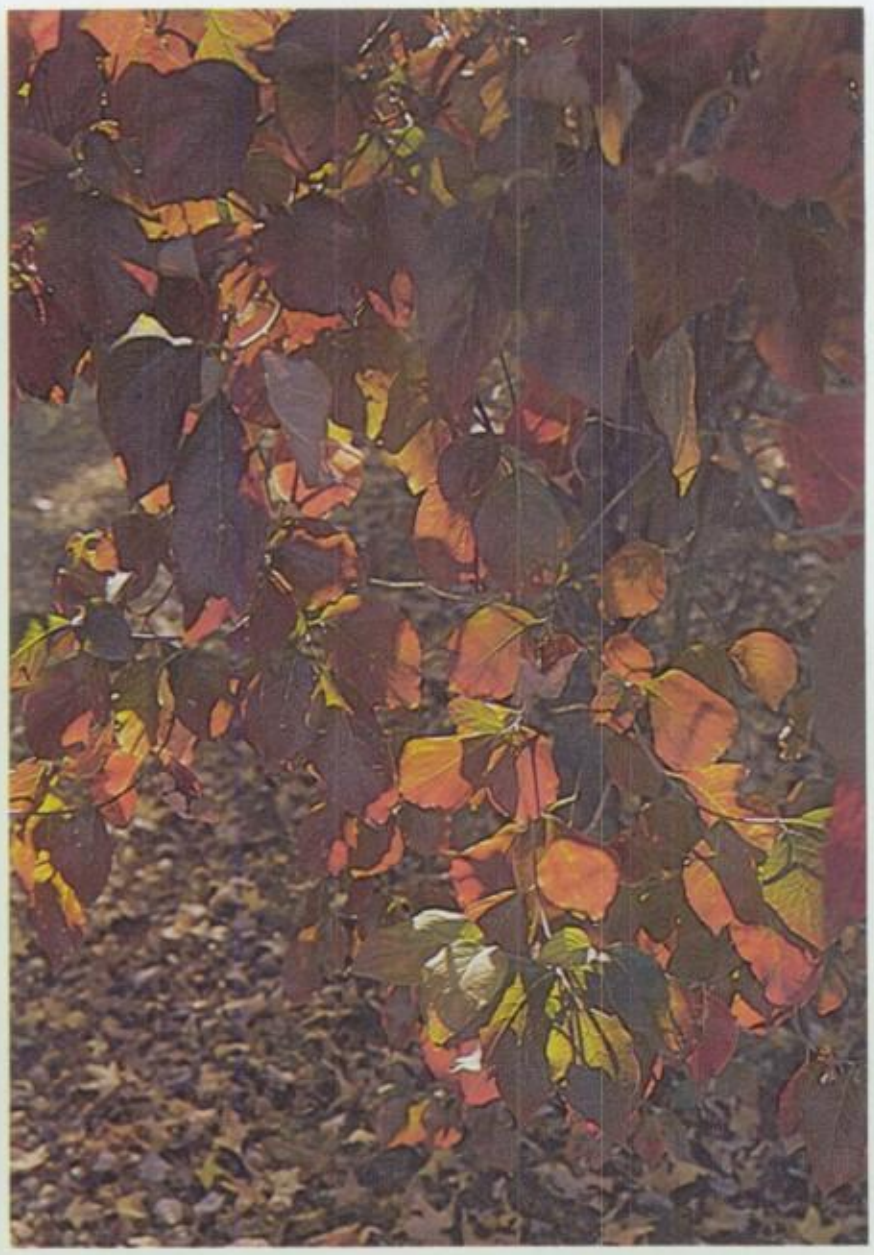
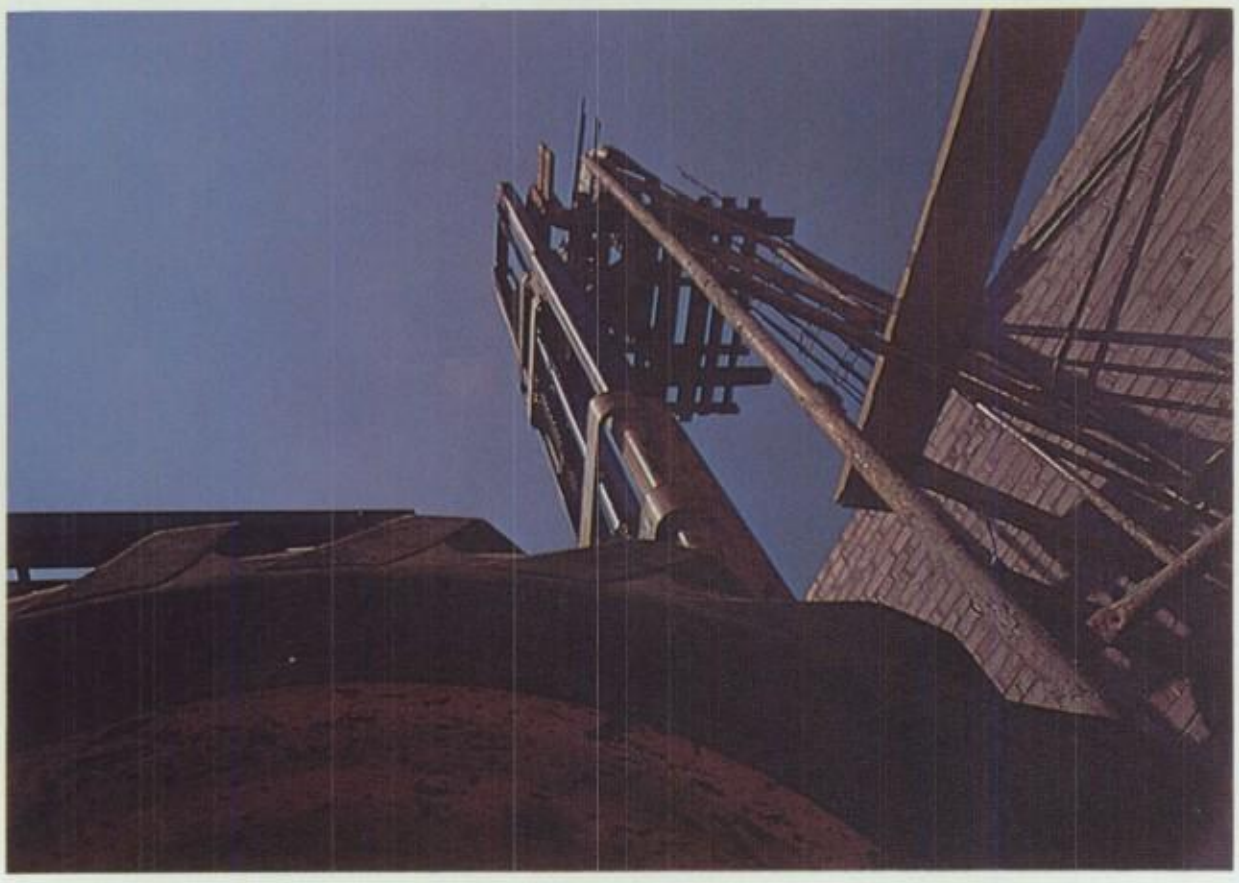
The past for each of us holds a different meaning, but in this year of historical recognition we should pause, either alone or with a friend, to consider the rich heritage of our country whose laws, constitutional rights, and individual freedoms, give us the opportunity to find satisfaction.





We often find ourselves criticizing mistakes which are unimportant and failing to appreciate the accomplishments that have styled our pattern of life.

We are gifted with the freedom to understand our emotions, our friendship, and our feelings of time.

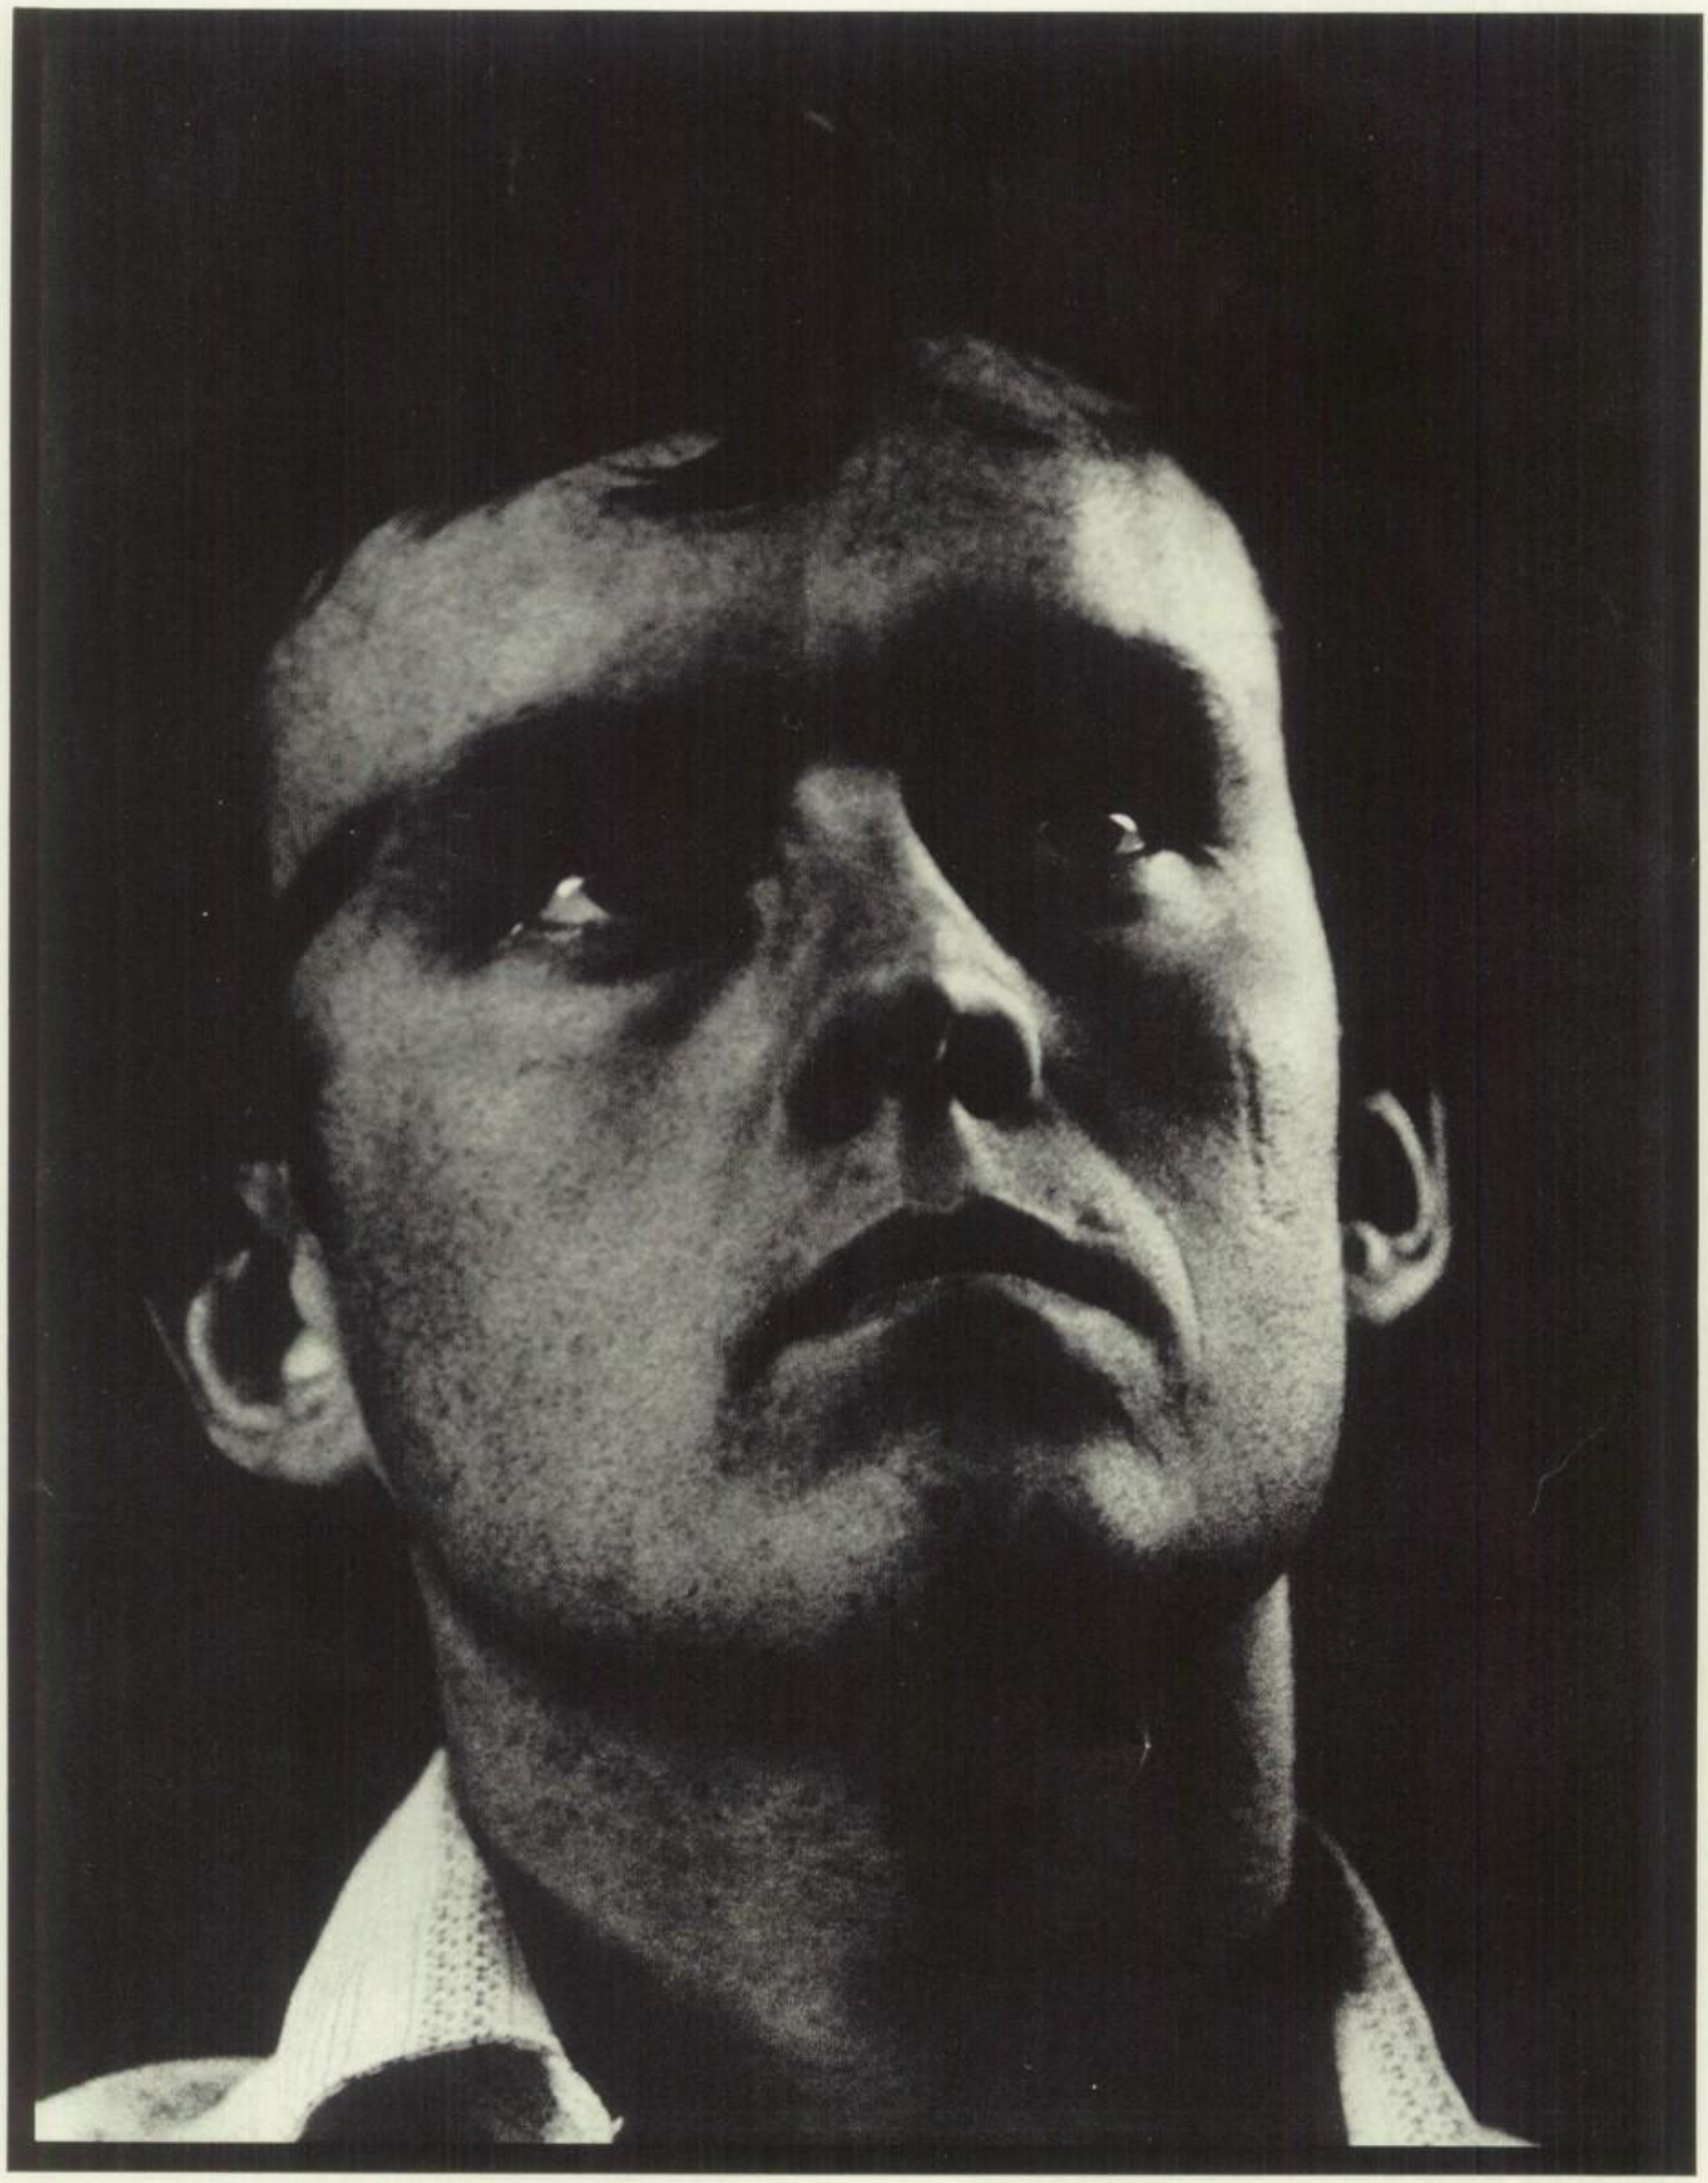
Simple wonders are generally taken for granted — laughter, touch, and simplicity — the privilege to improve, to make our work easier and our leisure hours more enjoyable.



Buccaneer Honors Fran Nolan With 1976 Dedication

Room 103 is rarely quiet, as classes are busy with the hum of chaotic formulas and inconceivable scientific theories which bewilder students and often confuse teachers. Wearing a striped coat, plaid pants and army boots, Fran Nolan explains the most complex concepts using dart guns, tennis balls and balloons. He is unique, representing the relaxed and enjoyable atmosphere of his classroom. His determination and concern for each student creates a bond of friendship which is seldom broken by time or change. Fran Nolan is far more than a teacher, challenging and inspiring students with a natural enthusiasm for life.

Events

"Three of the most rewarding years of my life have been spent at Page. The Homecoming game, with its excitement, victory, and emotion offered a moment of understanding and appreciation for the friends and experiences of the past years.

School spirit is represented through a crowded hall of painted faces and red banners, the enthusiasm shown in a hot August pep rally, and the concern of student for student. Spirit Week and the unity it produced, ribboned the year as students learned to cope with both victory and defeat.

Elections, proms, and events which make this year different are cherished — as we learn that only in our thoughts are the memories of the years hidden from change."

Seals and Crofts Appear in Concert

To Many of the students at Page, concerts were a large source of entertainment. Endless ticket lines and ever increasing prices were frustrating. Sounds of constant chatter flowed with the smoke filled haze of the coliseum. Eventually, after seemingly hours of sitting and waiting, the stage became the origin of sound, and music, once heard only from records and radios drifted openly through the crowd. The excitement of the night increased and the memories of lines, seats, and money faded away.

SCA Elections Demand Student Participation

This year's SCA elections marked another week of active campaigns. Candidates displayed posters, distributed buttons, and presented skits and speeches in an attempt to win votes. Two offices, those of Secretary and Chairman of Student Affairs, had only one candidate. On September 17, students registered and made their selections for SCA officers. One run-off was necessary to decide the poisitions of Treasurer.

Elections for class officers began soon after SCA elections. Voters attended assemblies to hear speeches and see skits of candidates running for their particular class. Many members of the Junior Class showed a lack of respect for numerous candidates, by yelling or booing during presentations. Voting was done in homeroom, and the winners were announced that afternoon. Any necessary run-offs were held the following day.

Spirit Week Introduces Second Childhood

Picture Four

During the week of October 11, students and teachers were seen walking down the halls of Page disquised as cowboys, teenagers from the fifties, and kiddies to show school spirit for the big game with arch rival Grimsley.

Spirit week started with Western Day when students wore cowboy hats, boots, and gave demonstrations on the quick draw. A few even dressed as Indians to add to the fun.

Fifties and Switch 'em day got the biggest response. Fashion conscious females wore sweaters, below-the-knee skirts, bobby socks, saddle shoes, bright red lipstick, and pony tails while the boys greased their hair, and wore white socks and loafers. On this day, students were also given the opportunity to dress as members of the opposite sex. Switch 'em girls wore suits, ties, and hats but they were not to be outdone as the guys had their skirts and lipstick.

Magic Enhances Homecoming Game

Student Council created the new title of Pirate Queen this year, to replace Maid of Honor as the title for runner-up. The Homecoming theme, "Could It Be Magic" came to life at halftime of the game with High Point Central on October 30; a cold and windy Thursday night, as members of the Court walked through a huge magician's hat. These girls received nominations from three homerooms, she was screened by a committee made up of administrators, four teachers, and six students. They were considered on the basis of service, scholarship, and personality. The final ballot was voted on in the homerooms, and three sophomores, six juniors, and 12 seniors were chosen. Desiree Murray, last year's Homecoming Queen, crowned Rochelle Alston Pirate Queen, and then crowned Danette Gordon as Homecoming Queen. To add to the evening's festivities, the Pirates won their game 14-7. The dance was held Saturday night, November 1. Music was provided by a group from Page, "Night Flight," and cookies and soft drinks were served by the Student Council.

Cold Weather Hampers Junior Class Carnival

This year the Junior Class, in order to raise money, promoted a Bazaar and Carnival. Many hours of hard work and determination were poured into the design of booths, games, and sales. The Carnival was highlighted by two talent shows. Outside in the cold winter weather of November there were dunking booths, potato throws, and a car smash. Inside, there were pinball machines and rummage sales. The Carnival was an excellent way to spend a carefree Saturday afternoon.

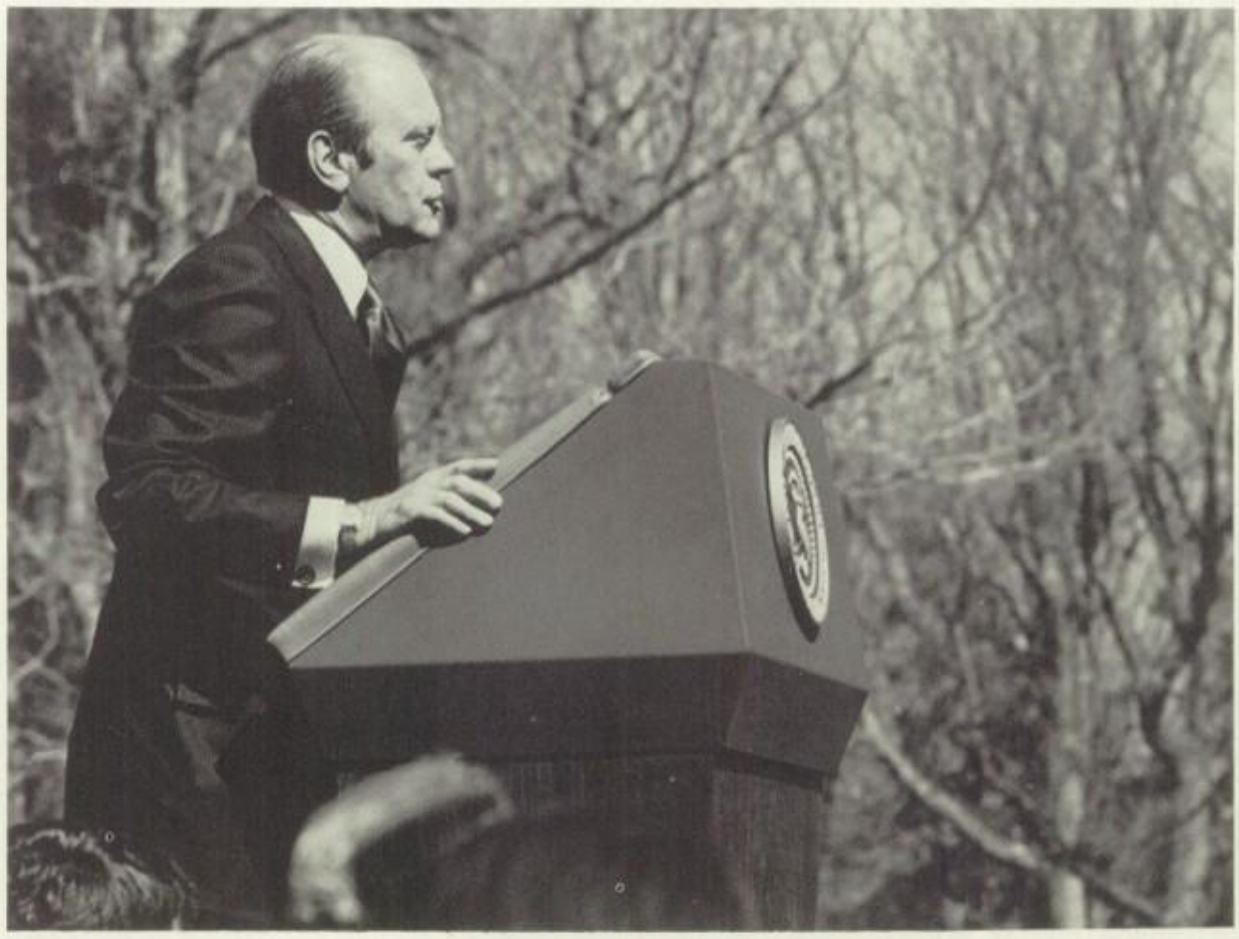
America Celebrates Bicentennial

The American Revolution, sparked by the need of an individualistic people to govern themselves, led the thirteen British colonies to a dramatic separation from the mother country. The settlers of these colonies sought the right to form a new nation, striking out on their own, unaware of the trials and tragedies that would confront them.

Within the next 200 years the American people faced the problems of carving a new nation out of a virtual wilderness: drafted a permanant Constitution, established a political system and elected the first United States President. As a newly formed nation she faced a variety of changes as she expanded from the Atlantic to the Pacific. Modern transportation thrived with the advancement of big business as Americans were brought together by new methods of travel and communication.



She faced hardships; depression, poverty, and political scandal only to benefit by the lessons learned. She watched millions of her sons die as she fought to protect her principles in distant lands.

Candidates Campaign For '76 Election

Today, unlike the America of 200 years ago, our nation is plagued by pollution, inflation, and unemployment. Now she must turn her technological attention to deal with these problems as she focuses on the quality of life rather than the quantity.

With respect for himself, his fellow students, and his school, Bryant Colson is a natural leader, capable of accepting responsibility. As a mascot Bryant has demonstrated the need for school spirit and student participation.

Aware of the value in friendship, Cindy Winslow displays a sincere interest for those around her. As Secretary of the Senior class, a member of Seniorettes, and the FSA, this Homecoming representative devotes her time to helping others.

Sherman Madden puts forth his best effort as he contributes actively to his school and community. Active in school musicals, Key Club, ensemble, and as a member of the High IQ, team, his Morehead nomination is well deserved.

Possessing a friendly smile and an enthusiastic attitude, Darcel Robinson displays an outstanding degree of school spirit. As an active member of Student Council and the **Buccaneer** Staff, Darcel is known for her hard work and pleasent disposition.

A determination to revive and spread school spirit led Sherri Rountree to the position of Pep Committee Chairman. Appropriately, she was voted "Most School Spirited" by the Senior class. A Civinette and a homecoming representative for two years, she has served her school well.

Willingness to give time and energy to academics and school activities, Walker Weatherly has unselfishly worked for the Key Club, Honor Society, and Student Council. As a member of the varsity Baseball team, he displays the valuable asset of remaining calm in difficult situations.

A successful athlete, Tim Nethery is a member of the All-State Soccer team, and an All-State Baseball player. Quietly unassuming, he is an asset to any group. His value though understated, is not misinterpreted.

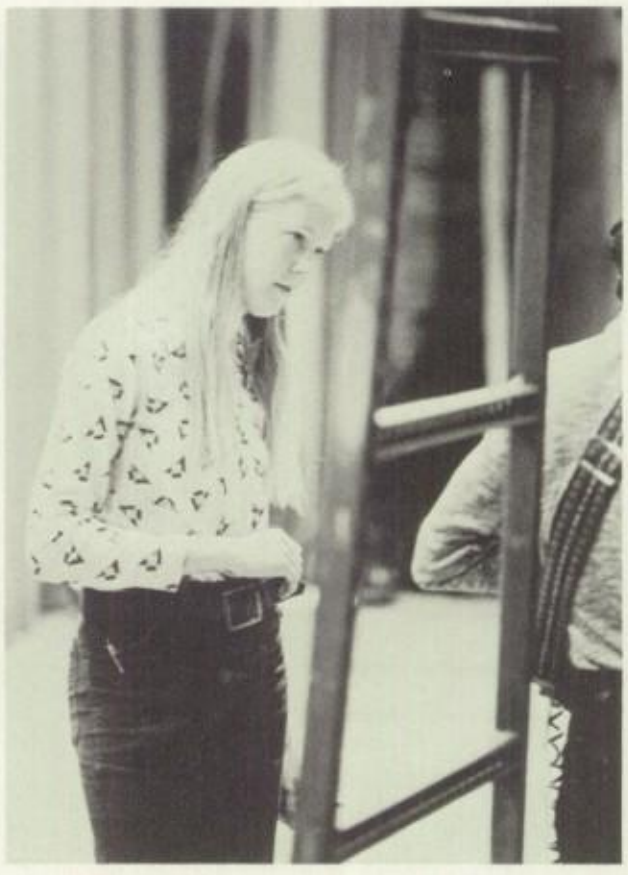
A member of Student Affairs and the varsity football team, Johnny Stokes is a thoughtful and considerate student. His pleasant attitude and quiet manner were instrumental in his Morehead Nomination and his selection to the National Honor Society.

A quick-minded student, David Wright excels in all areas of academics. David's participation on the High IQ team, on the varsity tennis team, and in GYC contributed to his selection by his classmates as "Most Likely To Succeed."

As SCA President Bob Brockman has successfully undertaken the task of arousing interest in Student Government. His eagerness and determination have produced a dependable and responsible leader.

A superb athlete, Mike Attayek is outgoing and good natured. Mike's athletic ability has distinguished him as a Page football star. He is highly respected by his fellow students.

Stage Band member, Mary Pearman has delighted students with her musical versatility. A uniquely creative person, she commands everyone's respect.



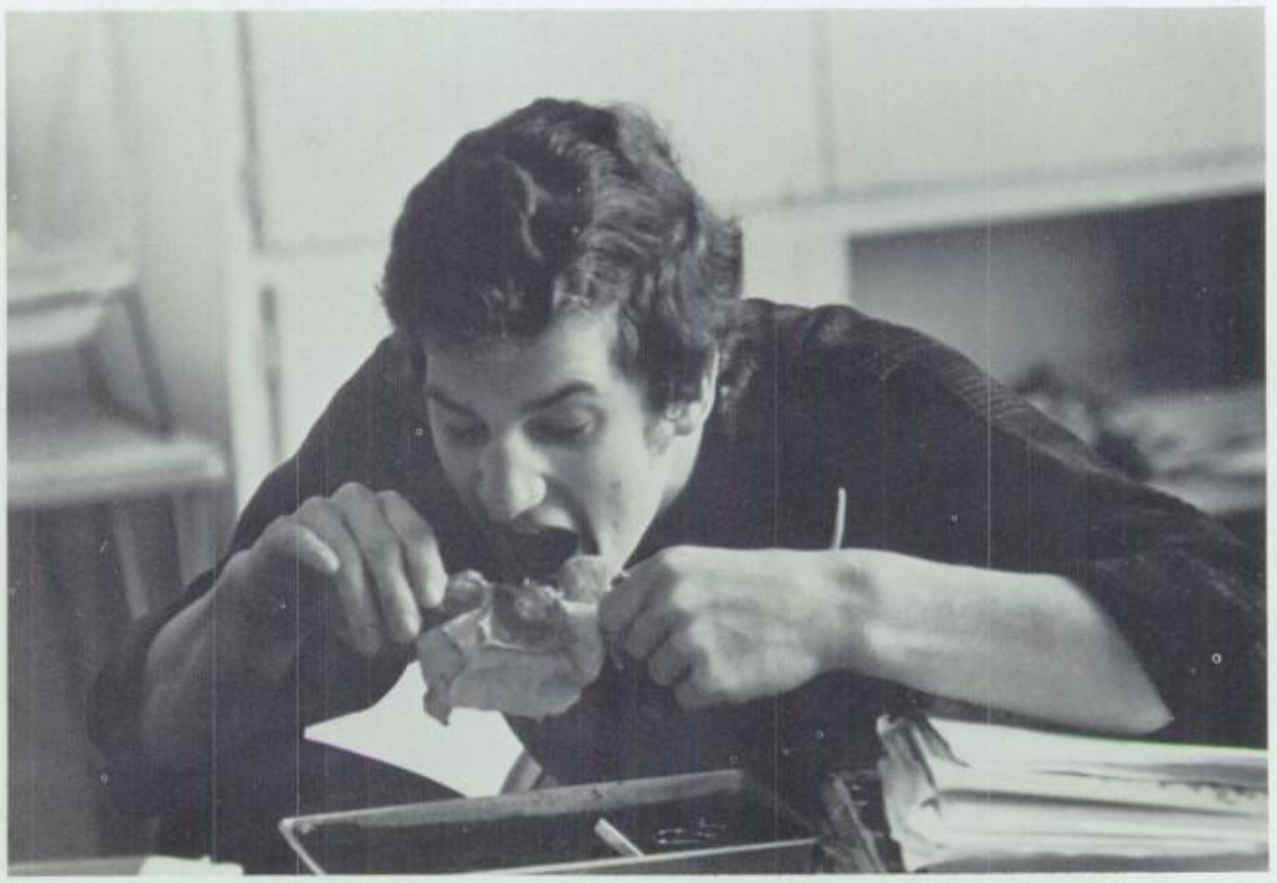
Danette Gordon has shown a true interest in her fellow students. She has been a cheerleader for three years, and is active in OHJ's, ensemble and choir. She was voted 1975 Homecoming Queen by the student body and Best All-Around by her senior classmates.

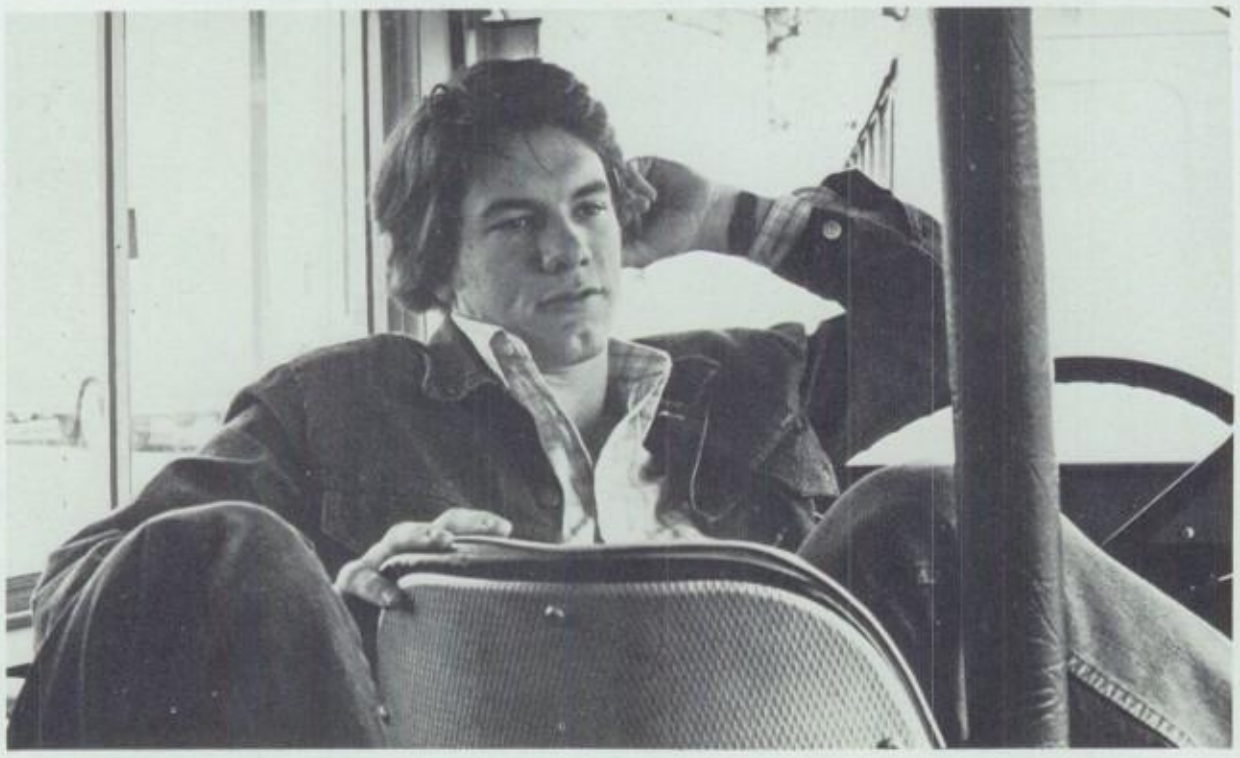
As a strong leader of the Senior Class, Freddie Carlson uses his intelligence and keen wit. He is a talented athlete, a member of the High IQ team, and the Civitan service club.

Cheryl Brown has promoted school spirit and a joy for living with her natural enthusiasm. Fellow students appreciate her dramatic talent on stage and as a red and white mascot, and realize that she makes Page a happier place to be.

While cheerfully directing traffic at the art room door, Gates Gravely has a clever comment for all who pass by. With irrepressible enthusiasm this Civitan President has served on ISCC and Student Affairs.

Sam Joyner makes friends easily, and his carefree manner is enjoyed by students and teachers alike. As Vice-President of NHS and Civitans, this Morehead Nominee has been a three year starter of the varsity baseball team, receiving the best hitter award his sophomore year.





The creative and enterprising Mike Graham who is SCA Vice-President is a personable leader in assemblies. As a talented singer, he is a member of the choir and the ensemble.

A relaxed and confident Tony Collins can be seen chatting pleasantly with Teresa as he helps her to class each day. Using his time to advantage, he plays not only varsity football and basketball, but sings in the ensemble and choir as well.

A dependable, self-directed leader, Lucy Cornelius has won the respect of her classmates, who enjoy her warm smile and sensitivity. As a Civinette, varsity tennis player, and SCA representative, she was chosen one of two women Morehead Nominees.

Pen Hondros

Scattered paths on borrowed soil
Stretch beyond eyesight's reach.
Yet to die before forest's edge
Daring not break flora's embrace.

In undisturbed forgotten places
Lie echoes of human presence.
Perhaps a route for strolling travelers
Or a playground for naughty truants.

Above the flaming torch of Hell
Beneath the smiling eyes of Heaven
Remnants of two different worlds
Lie peaceful in harmonious bliss.

Prisms flash through trees
Ashen gray thunderheads
Hide the rays of day
Crisp, electrified air precedes
The coming anger.
The laughter of the day has now
Turned to eerie calm.
Rustling branched reach a steady hum.
Heavy, suffocating air descends.
Earthbound rays destroy their own path.
Pounding waves of thunder, scream in irth
Swift as a cobra it strikes in anger and wrath,
Attacked; the ancient oak moans.
It cries, then collapses to create
A new forest path.
The victory over,
The storm recedes.
Clouds of black turn pearl
Quiet returns bringing smells
Of fresh flowers and earth.

In the confinement of her womb
You existed in the sacred world of security.
You did not ask to be conceived,
Nor did you ask to be aborted.
Your beginning was love,
Your end, the panic and fear of a lonely girl.
Although you were never born —
You existed in all of us.
Those who knew you
And struggled to deceive you
Before you were discovered.

Academics

"Idealistically, the curriculum of the public schools is designed to prepare students to become productive citizens in a democratic society. Realistically, our curriculum is designed to encourage our students to become selective, motivated individuals who strive to become the best possible individuals they can. Inherent in the motivation is a desire to be concerned about self and others."

Student Life

"It had been my life-long dream to attend a public high school. When I first entered Page High in February of '74, I was more than a little frightened. I knew the transition from a small, private school to a large, public school was going to be rough. I was wrong. I had at last met the "outside world", and I liked what I saw. The enthusiasm displayed by the Page students for everything — for sports, for learning, for helping others, for living — overwhelmed me. Since that February, I've come to feel like a part of the Page "family". Apathy is a word with little meaning at Page and I have to say I'm proud to be a Pirate."

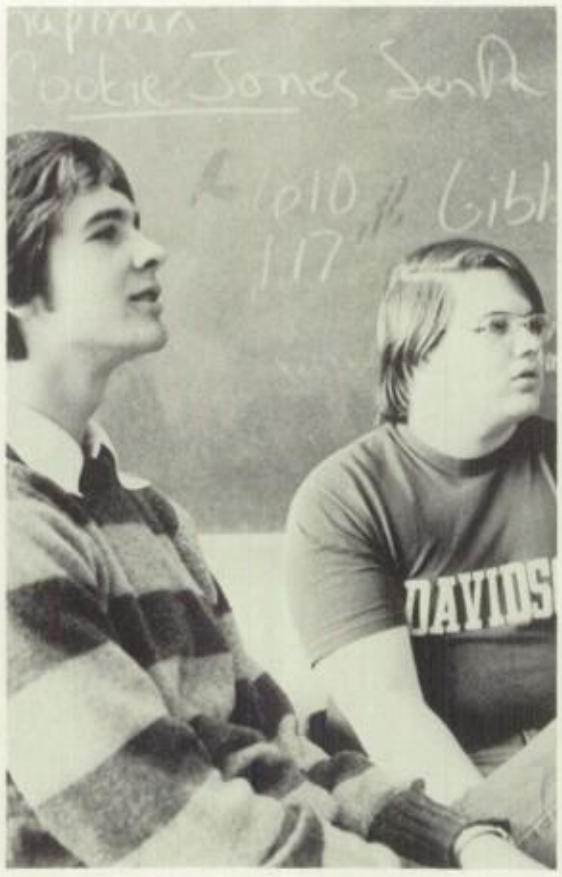
Page Students Receive Honors

On the basis of scholastic achievement, leadership and character the John Motley Morehead Scholarships were presented to outstanding High School seniors. This year Page nominated two girls and nine boys for the scholarship competition. Dave Wright was the only nominee to advance to the finals. **Morehead Nominees: row one;** Tom Ruffin, Walker Weatherly, Hal Kimrey. **row two;** Alma Washburn, Tim Nethery, Lucy Cornelius. **row three;** Johnnie Stokes, Sam Joyner, Martin Johnston.

The 1976 **Buccaneer** Award went to Bob Parker and Ted Atkinson. These two excellent photographers, through sleepless nights and endless devotion saved many deadlines and proved to be sources of inspiration to the staff.



Four Page seniors were named semi-finalists for the National Merit Scholarships. These students were chosen on the basis of high PSAT scores. **National Merit Semi-Finalists: row one;** Tim Jones, Bill Scott, Martin Johnston, Ted Atkinson.

This year Scholastic Art Awards, sponsored by, WFMY-TV, recognized talented junior and senior high school students. Gold keys were awarded to Ted Atkinson, Anne Beaman, Bob Parker. Certificates of Merit went to Ted Atkinson, Anne Beaman, David Julian, and Bob Parker. **Scholastic Art Awards: row one;** David Julian, Anne Beaman, Ted Atkinson. **row two;** Bob Parker.

The senior class nominated several girls for the Daughters of the American Revolution Best Citizenship award. The top three girls were judged by the faculty on the basis of character, leadership and service. This year Mary Schott was chosen as Page's representative.

Rated on a scale of zero to two hundred on their skill with solo performances, scales and sight reading, talented musicians competed for All State Band Positions. **All State Band: row one;** Jeff Murph, Darby Seely, Mary Pearman, Shaw Kenlon. **row two;** Ken Waegerle, Wayne Tumlin, Hal Kimrey, Tommy Hester.

Pam Shelton, president of the OHJ's, was selected the 1975 Miss Christmas Seal. Page service clubs collected record amounts of money for the project sponsored by the Piedmont Lung Association.

Tension mounted as students performed pieces of music in competition for All State Orchestra. **All State Orchestra; row one:** Tom O'Doherty, Alison Stockwell, Beth White, Gale Wood, Donna Koch.

North Carolina Governor's School recognized area high school sophomores and juniors for their achievements in art, music, dance, drama, and academics. **Nominees: row one;** Bart Stagner, Judy Harston, Ellsworth Chou, Lynn Robbins, Derrick Blackman, Margaret, Robinson, Jeff Murph, Michelle Moore, Dana Foley, David Rierson, Dell Tate, Beth Russell, Heidi Kilimanjaro, Van Nichols.

The Morehead Competition this year was brought to a climax when Page's David Wright was named the recipient of the four year Morehead Scholarship.

Eleven Page students attended the Mars Hill Choral Clinic, a three day program for talented North Carolina high school students. The clinic involved approximately eleven hours of rehearsals under the direction of Colleen Kirk, guest clinition. **Mars Hill Participants: row one:** Valerie Taylor, Spud Gilchrist, Shannon Cochran, Van Nichols, Danette Gordon, Kerry Poff, Beth Russell, Kathy Patterson, Wiley Bennett, Sherman Madden, Mike Graham.

Two representatives of Page's Distributive Education Club of America were honored in the district contest. **DECA Awards:** Gordon Kane, Marla Lee.

Page Students Receive Recognition

Two students took top honors in the Greensboro Women's Club Art Contest. **Greensboro Women's Club Art Winners: row one;** Nancy King, Matt Rogers.

Jeanne Cooke was selected as Page's Betty Crocker Family Leader of Tomorrow. All contestants took a written examination consisting of questions on home economics and family living, and Jeanne was chosen to participate in the state competition.

Student Council Hosts Student Leadership Seminar

The Student Council is an organization of student leaders which performs two main functions. It provides a link between Student Body and the Administration, and it reviews and resolves all grievances submitted to it by the students.

This year, with the assistance of the Student Body, the Page Student Cooperative Association listened more to student grievances, large and small. On December 5, Student Council representatives presented suggested proposals for needed changes in the Constitution, but more importantly, the representative recorded suggestions and requests which were made by the students.

The many committees were involved in their respective responsibilities. The Homecoming Ceremonies and especially the Homecoming Dance were the most successful in years.

The Greensboro Youth Council sponsored a wide variety of projects this year, suited to the interests of area high school students. Among these projects was a special one to commemorate America's 200th anniversary, the Bicentennial Youth Debates. Students from area high schools participated in a number of events, debating various issues that were important in the history of our country. GYC also initiated a new television program, "GYC and Friends" that focuses on youth and youth activities. It also sponsored many other events; the Miss Christmas Seal Pageant, Teenage Carnival, High I-Q Bowl, Christmas Toys, Chris Evergreen, the Carolina Cup Race, and the Entertainer.

ISCC Promotes Student Directory

The Inter Service Club Council worked to coordinate the projects of the service clubs and also sponsored projects which involved the whole school. The main projects were the Student Directory and the Student — Faculty basketball game. The council also sponsored hall decorations during Spirit Week and a collection of canned goods in homerooms during Christmas. The ISCC worked with the Youth Association for Retarded Children by having service clubs take turns working with a group of retarded children at Fairview Recreation Center.

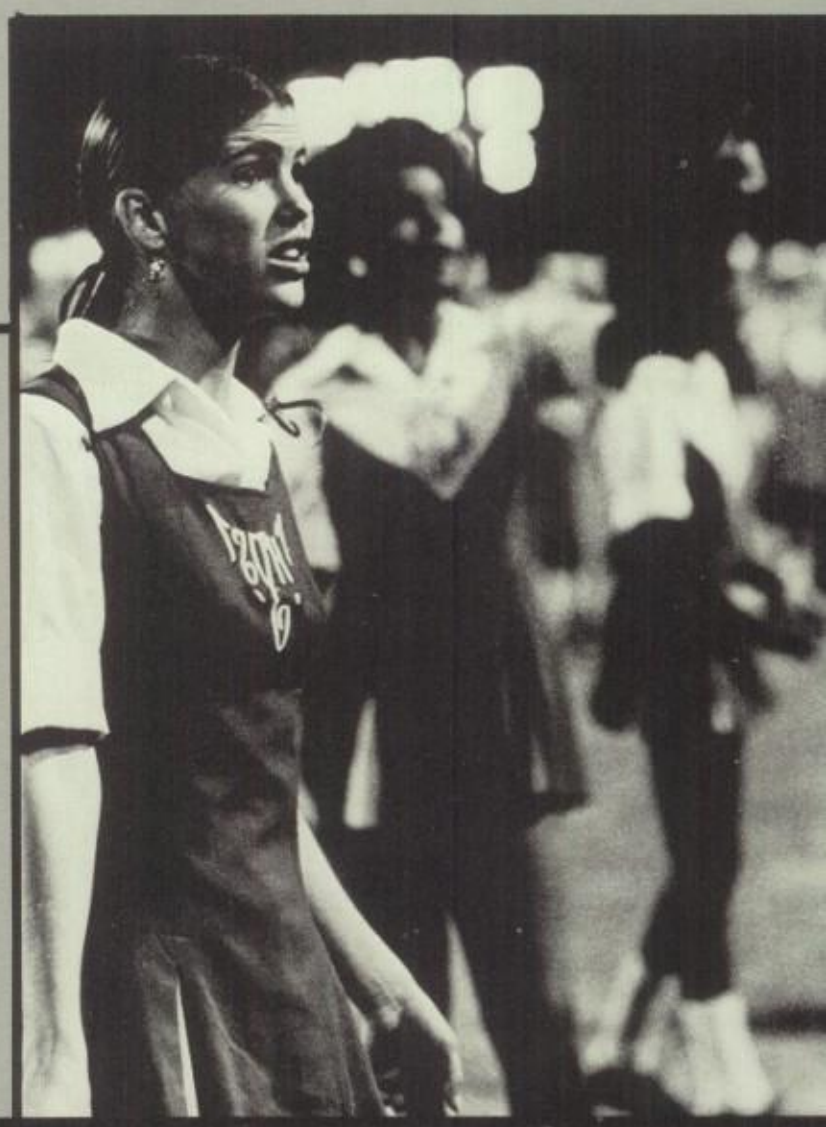
Sports



"This could be the year that the total athletic program plays a vital role in the rebirth of school spirit at Page. Winning seasons for Varsity and Jayvee football teams developed a sense of pride which we haven't seen for years. Good teams build a pride and spirit that flow into all aspects of school life. We hope this spirit will grow to the point that everyone will want to attend concerts, plays and all athletic events. We have the greatest school in North Carolina and deserve to be proud of it. Join in, be a part of Page High School. If you aren't talented enough to participate, lend your support by attending all events. What have you done for Page this year?"

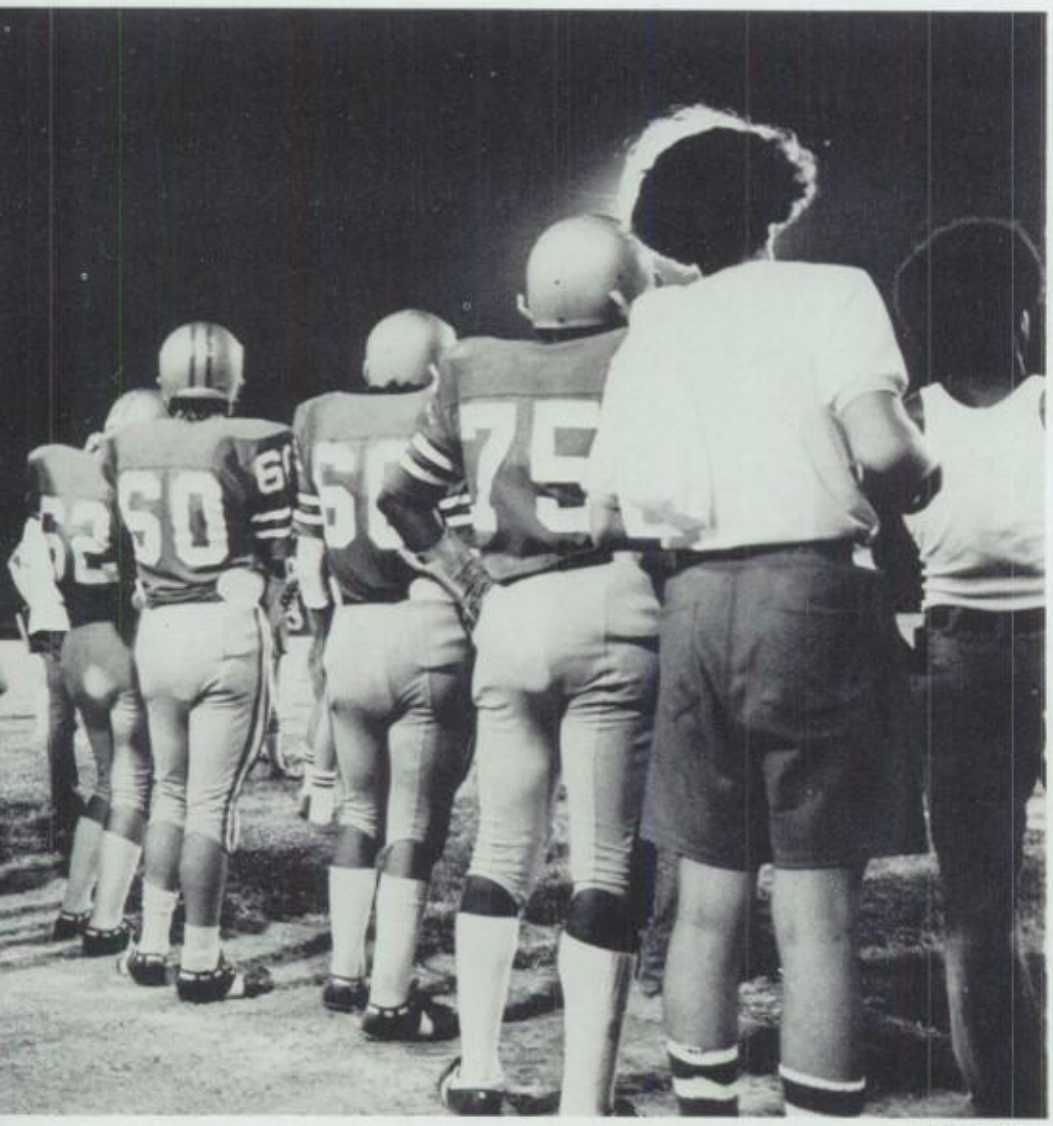
Earn Berth in State 4-A Playoffs



Picture Two

Page came off a slow start with a mediocre team this season to burst into form, winning their final five games and making the State 4-A Playoffs. After an opening game loss to Northern Durham, Page rebounded to win its next two games, only to falter once more and lose the next two contests. A 6-0 blanking of cross-town rival Grimsley seemed to spur the Pirates on. They never lost another game the rest of the regular season, including a 35-0 skunking of a tough Winston Salem Reynolds team and a victory over High Point Central, knocking them out of the play-offs. North Forsyth and Dudley were the other victims of the Pirate finishing drive.

A large caravan of buses followed the Pirates to Charlotte where they where to clash with East Mecklenburg in the opening round of the 4-A Playoffs. Here, Page suffered its greatest disappointment. The game ended in a 7-7 tie, with East Mecklenburg being awarded the game by virtue of total yardage. The Eagles went on to play for the State Championship.

The Page team was honored by having six of its players named to the All-Metro team, matching Ragsdale for the most players. Steve Rafferty, in his first year as a Pirate was named Lineman of the Year. Page can be proud of its team in that they exhibited strong unity in troubled times and came out with their flag flying high.

Pirates Finish 13-5

Teams experiencing rebuilding seasons are not usually expected to post winning records. Such is not the case concerning Page's Boys varsity basketball team.

Finishing with a 13-5 regular season and a 7-5 conference record with a six game win streak to end the season, the Pirates went into the conference tournament with confidence and came out with a first place trophy, securing a berth in the state playoffs. Big wins over Grimsley, Reynolds, and High Point Central sparked the team to tournament wins over East Forsyth, Smith and to winning the championship over W.-S. Reynolds.

Players instrumental in the tremendous accomplishments of the season were lettermen Anthony Currie, co-captain; Bobby Strickland, Phillip Melton, and Mike Hawkins. The other co-captain, Tim Nethery, along with David Routh, James Green, and leading rebounder Johncie Wilson led Page to a surprisingly productive and great season.

J.V.'s Have Outstanding Season

As members of the Junior Varsity basketball team left to join the varsity team, Coach Ronald Ball began a program of rebuilding. Led by junior John Saslow, the Baby Bucs saw a very progressive season.

Once again speed and quickness were essential as the team lacked sufficient height. Thomas McLaughlin helped to push the players toward excellent percentages and scoring records.

An outstanding season can be attributed to the determination and devotion of each player and his desire for a perfect record.

Whites Coaches Baseball Team

Talent and experience made up the 1976 Pirate baseball team. After a rather disappointing 1974-75 season, all but five players return, losing only two starters. With many lettermen back to take charge, the 1976 season looked for Page to be a top State contender. This season's hopes were pinned on the last two year's best hitters, Walker Weatherly and Sam Joyner, all-around athletes John Wolfe, Craig Fuquay, Tim Nethery, and Phil Melton, and promising sophomores Thomas McLaughlin and David Routh.

Track Becomes Popular Sport at Page

After a disappointing season in 1974-75, the track team hoped to make a better showing this season. Returning stand-outs included pole vaulter Mike Attayek, Courtland Brooks, holder of the school record in the triple jump, hurdler Chris Reid, and runners Matt Rogers, Jimmy Purdy, Roland Jones, Terry Boyd, and Wes Koonts.

Picture Three

This year Page had an outstanding wrestling season. The team found excellent advice behind the criticism of Coach Starling and unity behind strong senior leadership from Clyde Dungee and Jerry Small. Grappler Richard Huffman held the best record for the team, followed by Maurice Donnell. Injuries plagued the team this year, forcing wrestlers to compete in classes far above their own weight. The wrestlers responded under terrific pressure and worked to make this a successful season.

Early Morning Practice Proves Determination

Lead by Coach Steve Loflin, the Page swim team worked vigorously to place in the top five in the state. On March 8, the team traveled to the East Carolina University Invitational with strong leadership in Mike McCormick and Cathy Wade. Nancy Sekadlo and Tom Aycock led the diving team to an outstanding record as the divers met challenges in able opponents. The strenuous exercise and early morning practice proved to be a benefit as the swim team completed a successful season.

Bryan Park Challenges Golf Team

The 1974-75 golf team had a highly successful season, finishing second in the conference and eighth in the state. They were led by Ray Freeman who, captured the individual second place berth in the conference and finished second in the state tournament. Freeman, along with Tom Ruffin and Steve Tadler were the only players to return this year from the 74-75 team.

Soccer Team Finishes First In City

Picture One

The Page Soccer team, in its second year, had an amazingly outstanding season. Coached by Zack Osborne, the team took the city and district championships, to be featured in the state playoffs. There, they were defeated in the semi-final match by the eventual state champion, Ben Lippin. The Pirates finished the tournament in third place, being fifth in the state.

Impressive victories for the Pirates were sparked by outstanding senior leadership. It seems soccer has taken a place in the hearts of Page sports fans. Its success helped to ignite an athletically oriented year.

Girls' Tennis Team Finishes With 9 and 5 Record.

At the outset of the season the girls tennis team was at a disadvantage when only one player returned from last years top six line up. With fantastic leadership from Ms. Ribet and effort from each of the girls, the tennis team finished with a 9-5 record. The cooperation and respect of team members led the girls to a very successful season.

"Autumn brings the fun, and excitement, of summer to a crashing halt, and introduces us to yet another school year. For many at Page High, the next nine months will offer hard work, scholarly challenges, and plenty of good times. Even with all of the hard work, finally we as students will realize the importance of the year past, and feel better prepared for whatever this changing world may have to offer."

IN MY FATHER'S HOUSE

No, not cold beneath the grass,
Not close-walled within the tomb;
Rather, in our Father's mansion,
Living, in another room.

Living, like the Lord who loves me,
Like my child with cheeks abloom,
Out of sight, at desk or schoolbook,
Busy, in another room.

Shall I doubt my Father's mercy?
Shall I think of death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?

Shall I blame my Father's wisdom?
Shall I sit enswathed in gloom,
When I know my love is happy,
Waiting in another room?

Robert Freeman

Laura Hanson

And let not death take
Refuge within the soul —
For life's beauty lives on
Captured by the hearts
Of those who remember.

And let not sorrow
Dominate the mind
For ultimately it is not
Sorrow but serenity which
Will prove to be the
Salvation of life.

Commerce

"Business and free enterprise form the engine for this great nation; an engine running from the fuel supplied by its inhabitants. Fuel in the form of employment for its workers and money for a job well done. If not for the prosperous growth of a big business, our nation would come to a frightening standstill."

The lonely echo of cathedral chimes upon
the wind blend into the long awaited
silence of a February morning; the snow,
the cold, and the contentment found
only in this day.
The gentle yet continous flight of a dove
symbolic of peace and unity.
An unending circle of gold, of life, and
of love — that which you share — that
which may never be broken or destroyed
And in this February morning — completeness
is a gift of the heart — a refuge to
the mind and a tomorrow to those who
love

A Gift For The Company That Needs Everything.

A company producing an athletic program, annual report, corporate brochure, house organ, or sales catalog needs many sources.

In the past this company usually had to use several different sources to acquire these graphic needs.

Our gift is the ability to produce a graphic vehicle for you without using a dozen different suppliers.

Further than this, Fisher-Harrison offers services in Apparel Graphics, specializing in model coordination and model photography for the apparel industry.

A litho plant which features a publication department geared to coordinate programs and publications, like the Kemper Open, World Open, GGO program, PACE, the inflight magazine for Piedmont Airlines, The University of North Carolina football program, house organs for clients such as Jefferson Standard, and the Liggett group, just to mention a few.

We're not forgetting the small graphics budget, therefore Fisher-Harrison has a large litho department for handling any size job.

These services make Fisher-Harrison a Gift for any company. This package can be yours at any time, so come by or call and open us up.

Cone fabrics have stood for freedom from the start...since 1895, when America began living in them. The first to come to light was deeptone denim, and Cone became the leading manufacturer of this famous fabric. Next, came corduroy, an equal winner. But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81-year history.

Today, with 23 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel, fabrics for home-sewing—even polyurethane foam and dyestuffs are now part of the Cone family of products.

The employees of Cone Mills—approximately 14,000 in all—are proud of their part in creating basic fabrics that are the backbone of American casual fashion.

Cone®

Would you like to be a part of the Cone team? Contact us at any of our plant locations in the following communities:

Cliffside, Forest City, Gibsonville, Greensboro, Haw River, Henrietta, High Point, Hillsborough, Pineville, Reidsville, Salisbury, North Carolina; Carlisle, Cheraw, Greenville, South Carolina; Haleyville, Alabama; Tupelo, Mississippi.

Cone makes fabrics people live in.®

A comic strip in your yearbook?

This is our ad.

Maybe it's funny; maybe it's corny.

But at least it's different.

Because we think we're a different kind of Company.

Burlington is Number One in textiles and related products.

And high school graduates are the kind of people we need to keep us on top.

If you're looking for a job, look us up.

If you're going on to college, remember our name.

Behind an embellished dream
Contentment of the soul lies hidden.
Unaware of time, yesterday rambles on
Searching for only the serenity tomorrow can bring.
Of you, my friend, I have known much more
Than the crystal images of a nightmare,
The silent exhausted sighs of relief.
You are second only to life,
That which is hated and loved.
I reach out for you in search of what I once knew.
